Mayor's notes

Happy New Year from everyone here at the Village! 2018 was another big year for the Village as we saw the bridge project completed and our housing grant administered. If early signs are any indication, 2019 may be even busier. This year should bring the start of the Wilcox Building rehabilitation, a transition to LED street lights, new businesses opening (one will be open when you read this) and more. We will also be continuing our work on the new fire station, as well as beginning the process for the Whitney Point Gateway project, which New York State recently selected to receive a large grant.

So far we have had a mild winter but please remember to be safe, cautious and courteous to others. It is all of our duties to keep your sidewalks clean, water lines safe, shovel out fire hydrants, and more. Don't forget not to leave your pets outside for long periods of time either! If we all watch out for one another, the Village really is a safer place. Try to stay warm!

Ryan Reynolds
Mayor, Village of Whitney Point

Village Election

The next Village election will be held Tuesday, March 19, 2019. The offices to be elected are Mayor and two Trustees. The election will be held at the Town of Triangle Municipal Building at 2612 Liberty Street between the hours of 12:00 noon to 9:00 p.m.

Reminders:

- **Water Meter and lines:** It is the responsibility of the property owner to keep the water meter and lines from freezing. You are responsible for the cost of repairs and/or replacement of the meter. Minimum cost of \$25.00. Check your meter frequently and use heat tapes if necessary.
- **Sidewalks:** It is the duty of all property owners of lands fronting any sidewalk upon the public streets in the Village to keep them clear of snow and ice. This keeps the sidewalk passable and safe for all residents.
- **Fire Hydrants:** Please shovel around fire hydrants if they are near your property.
- **Water/Sewer Accounts:** Village of Whitney Point water/sewer accounts with outstanding balances after April 1st will be re-levied to the 2019 Village Tax bills.
- **Refuse:** If your trash or recycling is not picked up please call Blue Moose Sanitation at 607-849-6436. **Landlords:** It is your responsibility to notify your tenants of the Village Refuse regulations: ex...No Electronics; no construction debris; any changes in the day of pickup; bulk pick up. You can pick up a copy of the quarterly newsletter at the Village office for your tenants.

Recycling notes:

Blue Moose Sanitation has asked that we remind residents that the following items are **not** accepted in your recycling bin: phone books, soiled or wet papers, plastic bags, egg cartons, food wrappers, wax or plastic coated cardboard such as milk or juice cartons, detergent boxes, wet or soiled boxes, broken glass, styrofoam, pizza boxes, automotive fluid containers, spray cans.

These items should be put in with your trash.

Clean Heating and Cooling Whitney Point

On Thursday, February 21st Heat Smart Southern Tier will host an event at the United Methodist Church located at 7311 Collins Street from 6:00 pm - 7:00pm for residents to learn about the multitude of energy related programs available to the public. Regardless of what kind of property you own, this event will offer information that can lead to savings on energy bills, more efficiency and/or environmentally friendly options. If you're in need of energy related upgrades, mark your calendars for Thursday, February 21st.
