## Mayor's notes

Greetings! I would hope that we are all enjoying a healthy and happy summer. I know that is difficult in the unusual summer of a most unusual year. I wish everyone the best in that pursuit of health and happiness.

There are several changes to report in the Village. The Village Board has asked me to fill the remaining months of Mayor Reynolds' term and I will. We wish to thank Ryan for his years of service and wish him success in future endeavors.

Our public works guru, Jim Gilligan has decided to retire after 28 years of selfless, dedicated service. Jim's knowledge and expertise in the world of village infrastructure is matched by his outstanding professionalism and dedication. Since joining the WP Village team in 1992, Jim has given us everything we hoped for and more. With a ready smile and calm demeanor, Jim has handled complex projects and emergencies as if they were routine tasks. I guess, for Jim, they were. Jim certainly deserves his hard earned retirement. We will miss him on a daily basis (and hope that he will be available for consultation!).

Scott McIntyre will take over the position vacated by Jim. Scott has worked well with Jim and they have been a great team. Scott will carry on that tradition with Josh Montoya who will join the team on July 27.

That's all for now. Do try to enjoy the summer. Stay safe.

David Downs  
Acting Mayor
