Mayor's notes

I hope everyone is having a wonderful summer so far. Even though I have lived in this area my entire life, I am always amazed at the progression of seasons. Just as a cold and dark winter can slowly transform into a lush, green summer, so are we as a community. As more and more people are getting vaccinated against COVID-19, we find our infection rates getting lower and lower. Finally, we can get out of our houses and be with the ones we love. It has been a long year and a half, but I am proud of how our Village has persevered, and the season is finally changing. Thank you to all who have worked and sacrificed to make this happen. This is yet another reason why I am proud to call Whitney Point my home.

On another note, I would also like to take a moment and thank everyone for their consideration and cooperation with our change in garbage haulers. As I have mentioned before, every five years we must allow the haulers to re-bid in an effort to keep our expenses down. As with any transition, there have been some speedbumps along the way, but I am pleased to report that most of our issues have been resolved. If you are currently still experiencing any problems with your garbage removal, please do not hesitate to contact the Village Office and we will do what we can to assist.

Enjoy your summer, everyone!

Jason Somers
Mayor

Payments

Please make payments through the following methods:

1. Place your check or money order in the mail to the Village.
2. Place your check or money order in the drop box at the front of the building.
3. Make an online credit card payment, find the link on our website.
4. Make payments in person or use the exterior window next to our door at the back of the building. Masks are required to enter the Village office.

Village office updates

Village office hours are: 9am-2pm Mon-Fri. As we all know the COVID Pandemic is constantly evolving as is the Village's response to it. At this time, the following is the Village's current status: The building is open to the general public. A mask must be worn to enter the Village office, if you do not wish to wear a mask, we will continue to assist you via the exterior window at the back of the building.

Village Board meetings: Village Board meetings are now open to the public. Masks will be required to enter. The Village will continue to also utilize Zoom for the meetings. The Zoom link will be posted on the Village website.

Mary L. Wilcox Memorial Library
